Dear Dr. Corner:

I am indeed grateful to you for your letter of June 11th and for clearing up a matter about which I had heard much rumor. It is gratifying to put that matter to rest.

I will make some inquiry but I am not too hopeful about the possibility that the draft pages of Chapter 13 mentioned in your letter might still be preserved among Dr. Bronk's papers. But this is unlikely to go further than your own clarification which I will endeavor to have clearly in the record wherever it may be of the most benefit.

Yours sincerely,

Joshua Lederberg

Note to Sonya: Do you think that you or Joe have any hope of retrieving those pages mentioned in Dr. Corner's letter?

Note to John Bowers:

Dear John:

Unless there should be some other testimony of a surprising kind I would assume this is the last word on the matter. Thank you for your help.
